Re: Baby Doe et al. v. Joshua Mast et al., Case No. 3:22-cv-49-NKM

Ms. Eckstein:

Defendants Joshua and Stephanie Mast have received approval from Federal Government to produce additional documents identified as requiring *Touhy* approval. You will receive a link to the Mast's production of these documents today.

You may note that the Bates numbering for these documents is not entirely sequential; that is because some of these documents were previously identified on the Masts' privilege log (and thus received a lower Bates number at that time), but the assertion of privilege has since been withdrawn.

With this production, the Masts have produced all documents for which *Touhy* approval was requested and authorization to produce was provided.

Please let us know if you have any trouble accessing or viewing the production.

Sincerely,

John S. Moran

Counsel for Joshua & Stephanie Mast
